THE KING'S SCHOOL

26 October 2018

Dear Parent(s)/Carer(s)

Year 11 Information Evening - Monday 12 November 2018 6.00pm

As you are aware, at The King's School we put our students first and work tirelessly to promote academic achievement alongside personal development. I am pleased to inform you that the majority of Year 11 students have started the year extremely positively with 'Achieve' sessions after school being very well attended and students working hard in lessons. To further support this transition into Year 11 wish to invite you to the above Information Evening.

The evening will offer you practical ideas and information that will place you in a strong position to support your child during this pivotal time to ensure they achieve their potential. Starting at 6.00pm there will be an informal presentation from staff covering issues of importance for all Year 11 students such as revision techniques, exam preparation, stress management and specific subject information from English, Maths and Science. You will receive a booklet containing information about all the subjects in Year 11 and what the students need to do to achieve the best results they can.

Tea and coffee will be available from 5.30pm along with Careers advice and Post 16 guidance before the informal presentation.

If you would like to attend, I would be grateful if you could return the reply slip below to your child's Form Tutor on or before Wednesday 7 November 2018.

Yours faithfully

A Holland
Assistant Headteacher
