## THE KING'S SCHOOL

20 March 2019

Dear Parent(s)/Carer(s)

### YEAR 11 GCSE REVISION

At The King's School we aim to ensure that students have as much access to support as possible, both in and out of the classroom. As always, parental support is crucial in making sure that students fully understand what they need to do to improve. For Year 11, the Easter holidays provide a fantastic opportunity for independent study and to focus revision for the upcoming GCSE exams.

In addition to the Revision Evening, taking place on 27 March, we have organised a series of teacher led revision sessions that will take place over the Easter holidays. This is commonplace and has a genuine impact on students' results. The workshops will be bespoke and not only focus on knowledge, but also the skills needed to access the exams. Individual curriculum areas are notifying the students this applies to but for information, the timetable is overleaf.

As this is a non-school day, students do not need to wear school uniform. All students need to report to the Mill Hill reception on arrival, 15 minutes prior to the start of the session and will be greeted by a member of staff. As the safety and wellbeing of all students is a priority, students will not be allowed off-site until the end of the organised session.

Thank you in advance for your support.

Yours sincerely

**Mr D Pinto**  
Deputy Headteacher
