Dear George Lightfoot,

Thankyou so much for taking the time to write me such a nice letter about my books. I am glad to hear you enjoyed Cogheart and Moonrocket so much - especially the maps and the Crockwork animals.

Thankyou for your fantastic ideas for a fourth book. I am writing a fourth Cogheart book right now, where Robert & Lily go to New York City and also down under the sea in a submarine. I hope you enjoy it when you get to read it. And perhaps you should try writing a story about time travellers who kidnap people yourself - its a great idea for a story!!

Keep reading and keep writing.

Yours sincerely, and with best wishes,

Pet Bunzl x
