THE KING'S SCHOOL

21 October 2019

Dear Parent/Carer

Year 11 Information Evening – Thursday 07 November 2019 6.00pm

I am pleased to inform you that the majority of Year 11 students have started the year extremely positively. The first phase of Achieve sessions after school have been very well attended and students are working hard in lessons.

To further support the transition into Year 11, we would like to invite you to attend an evening about what to expect in this important final year. The evening will offer you practical ideas and information that will place you in a strong position to support your child at home during this pivotal time. Starting at 6.00pm, there will be a presentation in the Main Hall covering issues of importance for all Year 11 students such as revision techniques, exam preparation, exam pressure management and the Achieve programme. You will also receive the mock exam timetable and a summary of how each subject will be assessed in the summer.

Refreshments will be on offer from 5.30pm. After the presentation, there will be a chance to talk to external providers who will offer Post 16 guidance and careers advice. The English, Maths and Science departments will also be available on the evening to offer more detailed information about how your child can prepare for these subjects.

If you would like to attend, I would be grateful if you could return the reply slip below to your child's form tutor on or before Thursday 24 October 2019.

Yours faithfully

N Martinson
Assistant Headteacher
