

## Years 7 & 8 – Home Learning Tasks – Key Pieces of Work – Term 5

*Key Pieces of work are being set in 6 subjects for Year 7 and 8 students; distributed throughout the final four weeks of Term 5. Key Pieces of work form the core home learning task for that subject in the week outlined below. These are not additional pieces of work to be completed.*

*Full details about each of key pieces of work, including how the work should be submitted, the length of time to spend on it and any resources required can be found on SMHW. Once submitted the teacher will mark this piece of work and provide the student with personalised feedback.*
