Students can access their live online lessons through Google Classroom using a function called 'Meet'. Students should follow the instructions below to access the live online lessons for subjects they study.

- Log in to Google Classroom using existing Google Classroom email address and password.
- New Google Classrooms for live online lessons have been set up for each subject in each year group.
- Subject teachers will inform students via SMHW the name of the live online lesson Google Classroom to join and will provide them with the specific code they need to join this.
- Students will need to join the correct live online lesson Google Classroom to take part in the live online lesson.
- To join one of the live online lesson Google Classrooms clicks the + icon in the top rights on the page. The student will be asked for enter the code they have been given. The code should be entered and click join.
- Students will need to enter the code from each subject teacher to join each of the live classrooms.
- Students should message their subject teacher on SMHW if there are any issues or use the 'How to Guide' which can be found on the home learning page of the school website.
