1. Students should already be a member of each classroom. However, class codes will also be shared on Show My Homework by each teacher should students need a reminder.
2. Students should log into Google Classroom, using their usual log on information. A reminder of this can be found on page 26 of their planner.
3. If not already done, students can join any new classes by using the “+” button in the top righthand corner of the homepage.

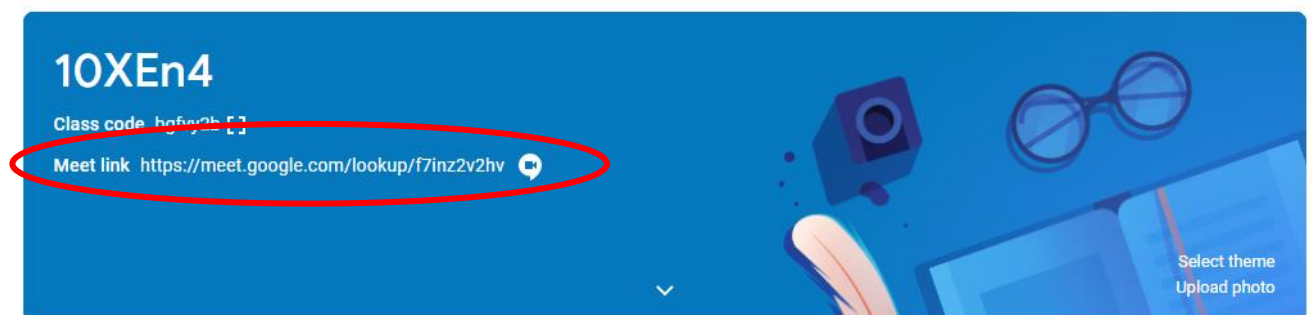

4. The class code from the teacher/Show My Homework should be used to join each class.
