Dear Parents/Carers

Breast Cancer Now's charity event "Wear it pink"

On Friday 23 October, The King's School will be taking part in Breast Cancer Now's charity event "Wear it pink". We are inviting all students to contribute £1, or more if they would like to, in order to wear something pink to support this charity.

"Wear it pink" is a great opportunity to do something fun, while at the same time generate positive outcomes for breast cancer sufferers for the future. It is also a way of letting people with cancer know that they are not on their own, and that there is a large support community on hand to help. We know that our school community will want to be part of this, especially if it means wearing something pink for the day!

We know that Covid-19 has had a detrimental effect on charities and therefore there has never been a more vital time for us to help raise money for life-saving breast cancer research and life-changing care.

Students can swap their normal shirt, tie or socks to be pink for the day. **Hair dye, nail varnish and make up are not allowed.** Apart from the changes to the shirt, tie and socks students should wear the rest of their uniform as usual.

Please do not send your son/daughter to school with money. Instead, you will be able to pay via the MCAS app, as you do for school lunches. Please go to Products and click on Charity Donations and you will see "Breast Cancer Now". Please click on the add to basket icon and go to checkout. You will then have the option to increase the quantity should you wish to donate more than £1.00.

Yours sincerely
