

Art – Year Group Overview

	Term 1	Term 2	Term 3	Term 4	Term 5	Term 6	
	Personal Project		GCSE Externally Set Assignment				Careers
Year 11	Experimentation with media and techniques which inform developments.	Personal outcome - Developing chosen themes and techniques explored throughout the project.	GCSE Examination Component 2. Externally set assignment.				Term 1 will commence with the presentation 'My Learning, My Future Inspiration Guide', which explores some of the career opportunities that are available to students, as well as the various post 16 pathways. Later in the year, further activities will be introduced which prepare students for further and higher education, for example, digital drawing. Students will also be required to complete a digital portfolio which can be used during interview and to support job applications.
