Dear Parent/Carer,

You may recall that I wrote to you earlier in the year in relation to our focus on improving communication at all levels and our plan to engage parents/carers more moving forward.

In recent months we have hosted various events including Parents' Evenings, an Options Evening and a Revision Festival, and we invited you to share your views on these events via our parent/carer survey which was distributed in April. A summary of actions taken as a result of your views can be seen in our second '*You Said, We Did*' which can be found [here](#).

In addition to the above, '*Ofsted Parent View*' provides parents/carers with the chance to provide Ofsted with feedback on the school and includes topics such as how happy your child is at school and how the school manages bullying or challenging behaviour. If you would like to participate please [click here](#) and follow the step by step guide outlined below:

- Click on 'Give your views'.
- Select 'Register now' (on the left-hand side).
- Provide an email address.
- Click 'Register now'.
- A welcome message will be sent to your inbox (please check your junk email if you are unable to find it) - you can log in by clicking the link in this email which will take you to the password creation section.
- Go back to the original webpage and log in on the right-hand side.

Thank you for your continued support.

Yours faithfully

Mr D Pinto
