

7 November 2023

Dear Parent/Carer,

Co-Curricular Activities

At The King's School, 'beyond the curriculum' opportunities are something we regard as extremely pertinent to our students' educational journey. We provide opportunities for all of our students to enhance their personal exploration of their interests and talents through a wide range of clubs.

We are immensely excited about the wealth of co-curricular activities that we have on offer for Term 2 as this increases students' life choices, enriches their passions, builds resilience and improves communication skills. Whatever year group your child is in, there are a huge range of exciting sessions to become involved in, for example, 'Green Club', 'Lego Club' and 'King's Wands'.

All clubs are free of charge. To view the timetable for Term 2, please click on the below link. All clubs are free of charge.

<https://kings.patrust.org.uk/co-curricular/>

There is an expectation that students sign up and attend a minimum of one co-curricular activity per term; although commitment to a club over a term is preferred. Year 11 students are expected to attend Achieve. Year 7, 8 and 9 students will gain community points towards their KS3 Graduation scheme by being involved in wider school activities.

Assemblies and co-curricular sign up will take place during form time and will commence on 7 November 2023.

Should you have any queries, you are welcome to contact me at school to discuss our co-curricular offer.

Yours faithfully,

Mrs E Phelan
Assistant Headteacher
