

6 February 2024

Dear Parent / Carer,

### **The King's School Alumni Community!**

We are excited to share some news about a special initiative that we are currently developing at The King's School – our Alumni Network!

If you are a former student of The King's School, we extend a warm invitation to reconnect. We believe that by developing our Alumni Network and engaging more with our Alumni, it will be a source of inspiration for our current students and it will enhance our strong school community. Whether you left recently or many years ago, and whether you are pursuing further / higher education or are already established in your career, your contribution can make a difference. We are seeking individuals who are willing to share their experience and expertise with our current students.

#### **How you can contribute**

Here are some ways you can get involved:

- Act as a Careers and Education Role Model: Share your career journey and provide valuable insights into your chosen path.
- Offer Work Experience: Open doors for our students by offering work experience opportunities in your field.
- Become a Mentor: Guide a current student on a similar career path, offering support and encouragement (DBS required).
- Be a Guest Speaker: Inspire students by sharing your career story, perhaps as part of an assembly or with a small group of students.
- Assist with Mock Interview Events: Contribute to our mock interview events, helping students improve their interview skills.

Your participation can be as active as you wish; the level of involvement is entirely up to you.

#### **Become a part of our Alumni**

To join our Alumni and indicate your preferences regarding your levels of involvement, please complete the form below. We value your willingness to share your journey and support the next generation.

#### **Help us spread the word**

If you know of any other former King's School students in our community or beyond, we would greatly appreciate it if you could pass on the link to our Alumni section on the website: <https://kings.patrust.org.uk/alumni-network/>. This will allow them to sign up and be a part of our growing Alumni Community.

We are thrilled about the potential impact of The King's School's Alumni Network and look forward to building connections, celebrating the achievements of our former students, and using your experience to inspire our current students and enhance our careers programme.

Thank you for your support.

Yours faithfully,

A handwritten signature in dark ink, appearing to read 'ep helan', with a horizontal line drawn underneath the signature.
