

20 February 2024

Dear Parents and Carers,

### **Year 9 Careers Fair – Tuesday 12 March 2024**

We are excited to announce that our Trust will be hosting a Careers Fair for all Year 9 students. The event will take place on Tuesday 12 March at Carleton High School and will provide students with the opportunity to explore a range of career paths and learn about different industries. Students will attend the fair from 13:05 - 14:05. Students will have their lunch at 12:05, and will then commence a supervised walk to Carleton High School at 12:35. Students will return back to The King's School at approximately 14:35, should consent not have been provided for them to make their own way home from Carleton High School.

The Careers Fair will feature representatives from universities, colleges, apprenticeship providers, and local employers. This will allow our students to explore a variety of options and gain a better understanding of the educational and career pathways available to them.

As a Trust we believe that it is important to provide students with a comprehensive understanding of the career options available to them. By introducing them to representatives from different industries and career paths, we hope to inspire them to pursue their passions and explore the vast array of opportunities available to them.

### **Parents and Carers Opportunity to Attend the Careers Fair**

Parents and Carers will have the opportunity to attend the Careers Fair with their child from 15:25 to 16:00 to show their support and help guide them through the process of exploring different career paths. This is an important step in helping our students make informed decisions about their future education and career choices.

### **Next Steps**

Using the link below please provide the following:

- Consent for your child to attend the Careers Fair.
- Confirmation that your child will be making their own way home from Carleton High School. Students who are not making their own way home will return to The King's School with members of staff.
- Confirmation of your attendance at the parent/carers session.

The Careers Fair will provide students with invaluable information prior to the upcoming Year 9 options process where they will choose which subjects they want to pursue in Key Stage 4. Further communication regarding this process will be communicated in due course.

If you have any questions or concerns, please do not hesitate to contact us.

Yours faithfully
