Dear Parents and Carers,

Year 9 Options Evening – Thursday 14 March 2024

We are pleased to invite you to our Year 9 Options Evening which will take place on Thursday 14 March from 4.00pm - 6.00pm.

This evening will provide further information on the courses and subjects available to our students in Year 10 and beyond. During the evening there will be a short presentation, at 4.15pm and repeated at 5.00pm, regarding the process and timeline students will have to make their subject choices. You will also have the opportunity to meet with subject teachers, explore the different options available and ask any questions you may have. We strongly encourage you and your child to attend this event as it will help you to make informed decisions alongside your child and provide them with the necessary guidance and support to choose the right subjects for their future aspirations.

Making the right subject choices is an important step for your child's future education and career paths. By attending this evening, you will be able to fully understand the different options available and how they can help your child achieve their goals. Our dedicated team of teachers and support staff will be on hand to answer any questions and provide guidance to ensure your child's academic journey is as smooth as possible.

We hope that you will join us on this important evening and we look forward to welcoming you to our school. If you have any further questions, please do not hesitate to contact us.
