

6 March 2024

Dear Parent/Carer

Costa Rica 2025 trip - Camps International

I am delighted to be contacting you regarding the next steps of the Costa Rica 2025 trip as part of Camps International.

On Tuesday 12 March at 6.00pm, there is an online Microsoft Teams meeting around the responsibilities of those travelling on the trip. Students are strongly encouraged to attend this meeting remotely by accessing the following link;

[Microsoft Virtual Events Powered by Teams](#)

This meeting, which I will also be attending, is expected to last 40 minutes. Camps International request that all students attend this event and of course parents and carers are very welcome too. Cameras and microphones can be muted by choice if preferred. Unfortunately, due to the availability of Camps International, there are no other alternative dates for this meeting. The link will take you to a register page, where you can register, submitting the required details, including an email address, which will then generate a link to your email account.

If you have any questions, please do not hesitate to contact The King's School via email address admin@kings.patrust.org.uk or telephone number 01977 601701.

If you are unable to attend this meeting, we recommend you contact Camps International to make them aware of this.

Yours faithfully,

Mr B Moyes

Teacher of Geography and Camps International Leader
