

8 March 2024

Dear Parents and Carers,

Easter Revision Sessions – Monday 25 March to Friday 5 April 2024

I am pleased to share the details of our upcoming Easter Revision Sessions with you, which will run during the two-week Easter break. There is a comprehensive schedule of revision workshops, coursework development sessions and our new supervised revision option! We are really looking forward to supporting your child as they continue their work towards their exams and keeping up the momentum which they have built to date.

All sessions will provide valuable support and guidance in order to put your child in the best position to be successful in completing coursework, and in their final examinations. This afternoon students have been provided with a personalised sticker for their planner which details the sessions they are expected to attend, and other key information needed to complete an online Microsoft form. We ask you or your child to complete this online form which can be accessed using the link below to confirm their attendance at selected sessions. The deadline to complete this is Friday 15 March at 4pm.

<https://forms.office.com/e/SV8Fht9ABh>

Our new supervised revision option is available for any student who has not already been asked to attend another session on that day. These will run from 9am-11am in the deli every day (except bank holidays and weekends). You will be able to sign your child up to these on the Microsoft form; please select the days that you would like them to attend. This is a great opportunity for your child to complete personalised revision in a focused environment, and with staff on hand to offer further advice and guidance, and maybe even some Easter treats! It will be great to see students using the revision techniques which they developed during our successful Revision Festival last month.

Students should enter school via Gate 3 and will register in the hall before being escorted to specific classrooms by the teacher/s leading the session/s. If students are attending for the full day, they will be expected to stay on site and should bring lunch with them. Students are able to attend the Easter Revision Sessions in non-uniform.

As we move closer to the exams, it is vital that students continue to attend school every day, revise at home and complete all home learning set. We are thankful for your continued support in ensuring that your child is in the best position to achieve their potential.

Yours faithfully,

Miss E Long
Year 11 Leader
