9 April 2024

Dear Parent / Carer,

### **Co-Curricular Activities**

At The King's School, we consider 'beyond the curriculum' opportunities extremely pertinent to our students' educational journey. We provide opportunities for all of our students to enhance their personal exploration of their interests and talents through a wide range of clubs.

We are immensely excited about the wealth of Co-Curricular activities we have on offer for the summer term as this increases our students' life choices, enriches their passions, builds resilience and improves communication skills. There are a huge range of exciting sessions for your child to participate in, for example, 'Pump it Up', 'Starbooks', 'Strategy Club' and 'Let's Play Darts'.

All clubs are free of charge. To view the Co-Curricular booklet for the summer term, please click on the below link:

<https://kings.patrust.org.uk/co-curricular/>

There is an expectation that students sign up and attend a minimum of one Co-Curricular activity per term; although commitment to a club over a term is preferred. Co-Curricular sign up will take place during form time this week. We encourage you to support your child in selecting a club that aligns with their interests and goals.

Should you have any queries, please do not hesitate to contact us.

Yours faithfully,

**Mrs E Phelan**  
**Assistant Headteacher**
