

15 April 2024

Dear Parent/Carer,

Sports Studies and Child Development Pizza Night

On Tuesday 23 April from 2:35 pm – 5:35 pm the PE Department will open its doors to students who require additional contact time to achieve their target grades. We strongly recommend that your son/daughter attends this session and utilises the time provided.

As you may already be aware, the deadline for students to complete all preparatory work for their exam unit is fast approaching. This session is likely to be the final opportunity for students to complete additional pieces for their assessment.

The PE Department's teaching staff will be available to help students develop their work and give them an opportunity to improve their current grade. Students will be provided with pizza and a drink to enable them to have a prolonged period of focused work time (please ensure your child bring a drinks bottle to fill).

Students will be expected to maintain the school's high expectations of uniform, behaviour and attitude during this session.

Please confirm your consent for your child to attend this session by Thursday 18 April 2024 via the MCAS app by going to the 'Clubs' section and then selecting either;

1. **'Sports Studies Pizza Night'**, or,
2. **'Child Development Pizza Night'**

If you have any queries regarding this session, please do not hesitate to contact me.

Yours faithfully,

Mr C Fawcett

Associate Senior Leader and Curriculum Leader of Physical Education
